

# Freedome to host European Ultimate Dodgeball Qualifier

---

## FOR IMMEDIATE RELEASE

16 APRIL 2018 - Aerial Freestyle Park, Freedome, located at the Coliseum Leisure Park, near Cheshire Oaks in Chester, is delighted to announce that we are once again playing host to the European qualifiers for the prestigious Ultimate Dodgeball Championship!

The qualifier is taking place from 4pm on the 13th May 2018, and in the words of Patches O'Houlihan, if your team can "dodge, duck, dip, dive, and dodge" your way to Ultimate Dodgeball glory at Freedome, Cheshire Oaks you'll be flown out to Chicago to compete in Skyzone's Ultimate Dodgeball Championships Finals, taking place on 2nd – 5th August 2018.

Similar to dodgeball except with a twist, the court is a massive trampoline! Ultimate Dodgeball is a perfect mix of speed, athleticism, and skill, and at Freedome, we're home to Europe's only seamless trampoline court for an incredibly intense and exhilarating experience in an ultra-safe environment.

Freedome Managing Director, Peter Brown commented:

"We're delighted to once again be hosting the UDC European qualifier on our unique specially designed trampoline court as it gives some of the talented local players in the North-West an incredible opportunity to test their skills against other players from across Europe."

"We also can't wait to give one of the teams the opportunity to head to the States and compete in Chicago with some of the best Ultimate Dodgeballers the world has to offer!"

For just £10 per head teams of all levels are encouraged to enter, all you need is to be at least 16 years of age, and your team must have between 5 and 8 players. You will also need to be able to travel to Chicago for the finals in August.

Think you've got what it takes? Then get in touch with the Freedome team on 0151 356 7494 or visit the website for further information - <https://www.freedomeparks.com>.

Or if you need a little more practice before the event, then we currently run skill sessions Monday to Thursday in the park, where you will get a chance to refine your reactions and develop your dodgeball skills, as well as getting advice from the talented Freedome FreeGuards.
